Want to thank God? **We're here to help you.**

At significant times in our lives we want to mark them with friends and family and offer thanks to God.

As Church we call this a service of blessing which can be part of a Sunday, a separate service, or part of a social visit or event.

This can be for the renewal of wedding vows, a new home, a civil partnership, recovery from illness, or other significant life event.

Fearing the worst?

We're here to help you.

Life is never as perfect as we'd want it to be. As Church we try to support each other and our community through times of worry, grief or distress. We are here to offer a concerned ear, help you find support, and journey with you.

Our minister and church are available for funerals if requested.
